

Hi, Greg Todd here. I am running for Ottawa prosecutor to defend the Constitution, ensuring liberty & justice for all. Our county needs a leader who will protect our freedoms & uphold the rule of law.

When Lee & Sarah came to power in 2021, crime skyrocketed:

- Sex Offenses +38%
- Robbery +37%
- Weapons Crimes +47%
- Felony Drunk Driving +26%

Yet they focused resources on political agendas, such as prosecuting mothers who take away their daughter's cell phone.

On their watch, homicides have increased every year, we now have a 99.5% plea bargaining rate (which would make Soros prosecutors blush), and 28% of crime victims never get any justice—with no transparency as to why.

I am committed to removing politics from the office, supporting law enforcement, ensuring a fair & just legal system, & protecting victims while holding criminals accountable.

On 8/16, vote Greg Todd for prosecutor.

Together, we can ensure that our community remains a safe place where liberty & justice prevail.
